FOREWORD

Warmest greeting to all medalists, and also to the proud parents and teachers as well! Welcome to the Gala Weekend of the 1st WPTA Indonesia International Piano Competition, and it is with the most excitement that we can celebrate wonderful achievements and be together this weekend!

World Piano Teachers Association - Indonesia strives to build a healthy, encouraging, and supportive community in classical music, with the hopes that we will all be able to go forward and further together hand-in-hand. We wouldn't be able to do this without your support and participation. The overwhelming responses and performances that we've received in this inaugural competition is beyond anything we've ever imagined, and we sincerely thank you for your hard work, dedication, and genuine passion.

We hope that this Gala Weekend can further build this musical community, through celebrating excellence, learning, as well as exchanging experiences.

We have been very thankful and fortunate to be partnering with The Grand Signature Piano that provides the beautiful Estonia Grand Pianos for all of our medalists and guest artists to perform on.

Let's go even further together, and let this opportunity be the start of something wonderful for everyone. We do hope that the friendships, inspirations, and experiences during these two days would be able to encourage and support your musical life - for all of the pianists, no matter where you are in your journey, as well as the parents and teachers!

Once again, our deepest heartfelt thank you for joining us in this celebration, and we hope to see you again soon!

Dr. Edith Widayani, DMA
President
