

ABOUT WPTA SOUTH AFRICA

The South African association of the WPTA was formed in 2018 as part of an initiative by Dr. Dorian Leljak (president of the WPTA) to establish several national associations. We aim to provide a community where South African piano teachers can exchange ideas, information, and experiences related to piano playing and teaching. It also connects us to a network of piano teachers worldwide, and provides a database of qualified piano teachers for the benefit of potential pupils and their parents. Please like and follow out [facebook page](#) to stay abreast of the latest news and developments. The WPTA (South Africa) welcomes you, and we hope that you benefit greatly from your [membership](#).
