

# An International Platform for Piano Music and Composition

## FOREWORD

Welcome to WPTA Finland, part of WPTA International!

We are here to liven up and inspire Classical piano music - which includes chamber music, orchestral works, original works and any other genres that involves this versatile instrument notwithstanding. WPTA (Finland) is a non-profit organisation and aims to bridge the gap between you (musicians/pianist/ composers) and your audience (anyone!), both live and online. We are interested in things that you are interested in regarding promoting Classical music!

If you have an event that you would like us to share or that you have an interesting proposal for an event, i.e. performance, workshop, master class, music festival, competition, etc., feel free to contact us here or leave a message at any of the email addresses below.

Look forward to hearing from you!

Yours sincerely,

Jeremy Wing Kwan Wong  
President of WPTA (Finland)
