Humanities Through Music: Cultivating Lifelong Joy in Piano Collaboration

This presentation demonstrates how collaborative piano enriches both musical and interpersonal development through mindful repertoire and pedagogical approaches. This session showcases how collaborative piano playing has the potential to cultivate joy, connection, and artistic growth throughout a pianist’s lifetime, from young children to any stage of life. The presentation will also explore pedagogical strategies that integrate humanities and music, promoting cultural awareness, confidence, empathy, and lifelong engagement with the arts through piano collaboration.
